

## MEET THE DOWIE FAMILY

Rob and Lori are looking to expand their family through adoption. Rob and Lori have been together for twelve years and married for two and a half years. They have previous adoption experience as Lori adopted her adult daughter over 20 years ago. Lori and Rob adopted their son Christopher in 2014. More recently, in 2017 and 2018, Lori and Rob adopted 2 female children (a toddler and an infant) from the foster care system. Lori has over twelve years experience in the foster care system and is a stay-at-home mother. Rob is employed by the Department of Conservation and Natural Resources and serves as a fire warden. They are very involved with the local American Legion and local fire department. As a family, the Dowie's, love to travel to amusement parks and zoos. They also like to camp, fish, picnic, and have family time together.

They are interested in adding a male child preferably between the ages of 8 to 13 to their family. However, they are also willing to consider a sibling group that includes younger or older children as well. They would prefer a child(ren) with no significant physical disabilities; however, they are able to care for a child(ren) with mild/moderate health or emotional problems.
